eBoard Notes
Volume 40, No. 20
May 31, 2018

Board approves building improvement bids

The Hutchinson Public Schools Board of Education Thursday (May 31, 2018) approved bids for two improvement projects in district buildings in a special meeting.

The Board approved a bid from HIEB & Associates LLC for a new addition and remodeling for \$576,000 at Avenue A School. The work includes a new hallway addition on the south side of the school, adding a restroom for the pre-kindergarten program, remodeling other restrooms for the Pre-K students and adding both internal doors between two classrooms and hallway separation doors for the facility's alternate school mission.

The only other bid for the project was from Compton Construction from Wichita for \$577,900.

The Board also approved a bid from HIEB & Associates for remodeling work at Morgan Elementary School. While the bid is for \$150,000, the district will work with the contractor to reduce the scope of work to reduce the total cost of the project. The only other bid was for \$151,600 from Compton Construction.

In a subsequent memo, a change order dropped the Morgan bid by \$16,372.65.

Scope of work currently includes renovating the main office, renovating a classroom adjacent to the main office to serve as the principal and assistant principals' offices and an in-school-suspension room. The current lounge will be renovated into a special education classroom.

Both projects will use the services of Landmark Architects. The motions included paying for engineering services from Landmark.

Personnel Report

The Board also approved the following personnel changes.

Hired

- Dorothy Cook, Custodian/Night, HMS-7, effective June 4, 2018
