Board tables advertising/sponsorship rules

The Hutchinson Public Schools Board of Education Monday (May 8, 2017) postponed approval of regulations to govern sponsorship and advertising in the district.

Under the proposal, any donation or sponsorship agreement valued at \$5,000 or more has to come before the Board. Donations/sponsorships from \$1,000 to \$4,999 will be approved by the superintendent. Lesser amounts have to be approved by the program sponsor.

Requests for donations or sponsorships will be handled by the district on a first-come, first-served basis.

Key to the rules, though, is that all advertising must be appropriate for all ages of students and not promote anything in violation of state law or district regulations. Information about advertising and sponsorship will be posted on the district website.

Board members expressed concern about the current draft not including specific language that would include requests for proposals for certain initiatives. Members also suggested a strict prohibition against “serial invoicing” so that a sponsor would not be able to invoice a sponsor for an amount just below \$1,000 for several months to avoid the regulations. Members also wanted additional clarification in some other areas, such as permanent vs. non-permanent signage.

The Board tabled the regulation for action at a future meeting.

Also during Monday’s meeting the Board:

- Heard a Continuous Improvement Report from Wiley Elementary School.
- Approved minutes of the April 18, 2017, special meeting and the April 24 regular study session meeting.
- Approved a submitted out-of-state student activities request to attend SkillsUSA.
- Approved report on Operational Expectations No. 12 – Facilities.
- Approved reading the purchase of workbooks for the K-5 English language arts curriculum.

USD 308 does not discriminate on the basis of race, religion, color, national origin, sex, age, or disability in employment or in access to or the use of its programs and activities.

- Approved minutes of the Supplemental Salary Committee.
- Approved the annual support renewal for EMC support for electronic storage systems.
- Approved the annual renewal for Skyward Student. The district uses Skyward for its student information system.
