

Policy Type: Board/Superintendent Relationship

Single Unit Control

The Board will direct the Superintendent only through official decisions of the full Board.

1. The Board will make decisions by formal, recorded vote in order to avoid any disclarity about whether direction has been given.
2. The Superintendent is neither obligated nor expected to follow the directions or instructions of individual members, officers or committees unless the Board has specifically delegated such exercise of authority.
3. Should the Superintendent determine that an information request received from an individual member or a committee requires a material amount of staff time or is unreasonable, the Superintendent is expected to ask that the committee or the member refer such requests to the full Board for authorization.
