

JGC Health Assessments and Physicals

All students up to the age of nine shall submit evidence they have undergone a health assessment prior to entering kindergarten or before enrolling in the district for the first time. Students without such evidence shall provide one of the following as per K.S.A. 72-5214: 1) a written statement signed by one parent or guardian that the child is an adherent of a religious denomination whose religious teachings are opposed to such assessments; or 2) a written statement signed by one parent or guardian that such assessment will be scheduled and completed within 90 days after admission to school.

All students engaged in activities covered by appropriate KSHSAA rules shall provide the building principal with proof of a physical examination.

Principals and school nurses shall work cooperatively with local, county and state health agencies to disseminate materials related to the availability of health assessments and inoculations.
