2012-13 SCHOOL YEAR

2012-13 School Year Information Technology Resources Student User Agreement

The undersigned Student (referred to in this Agreement as the "Student") and Student's parent(s), acknowledge that we have and read and understand the District's Information Technology Resources Acceptable Use Policy governing the use of the computer and other information technology equipment and networks owned by Unified School District No. 308, Reno County, Kansas (the "District").

By signing this, the student and parent agrees to USD 308 Administrative Regulation JT, "Telecommunications Acceptable Use Policy."

As a District student and parent of a District student we agree to abide by and comply with all applicable District policies and guidelines regarding the acceptable use of the District's technology equipment, computer networks and access to the internet using District technology equipment and networks. These policies include – but are not limited to – the following statements.

We understand and agree:

- Violation of the District's policies and guidelines may result in revocation of Student's computer privileges and may result in disciplinary action. Violations of law may be turned over to police.
- There is no expectation of privacy. District equipment and networks are publicly owned and operated. District personnel may monitor and inspect records regarding Student's use.
- District's information technology equipment and networks are provided and maintained for educational purposes.
- Student shall not disclose access codes or passwords.
- Student shall not install, permit other persons to install/modify, nor attempt to install/modify any software or peripheral equipment on any District equipment.
- District's equipment and networks may not be used in any way for commercial purposes, for personal financial gain or benefit of any kind, on behalf of any political candidate in connection with any partisan political campaign, political party funding or other activities or for any activity that is unlawful or contrary to District policies.
- We are responsible for the care and safekeeping of all equipment provided by the District for Student's use. If any such equipment is damaged or destroyed while in Student's possession, we agree to reimburse the District for the cost of repairing or replacing such equipment.
- This Agreement shall remain in full force and effect so long as Student attends any District school.
