Mission Statement

All students graduate with the knowledge, skills, and behaviors to be college and career ready.

School and Community

Hutchinson High School serves as the only public high school for the community of Hutchinson, a county seat in South Central Kansas with a population of 40,000. A broad cross-section of business and industry located in Hutchinson makes the community a regional trade center for the agricultural area of western and southwestern Kansas. Hutchinson is the home of the Kansas Cosmosphere and Space Center, Underground Salt Museum the Kansas State Fair, the NCJAA Basketball Tournament, and Fun Valley softball complex.

Curriculum and Instruction

All students at Hutchinson High School are required to take 5 classes each trimester. With classes before and after the main part of the day, it is possible for students to take six or seven classes each trimester. Classes meet on a modified block schedule with a seminar on Wednesday a.m. The M-T-T-F schedule holds 75 minute classes with shorter classes on the seminar day. There are 180 days per year. Students earn a half credit in most courses by earning a passing grade for a trimester. A broad selection of courses are available including college prep, IB, Career and Technical Education courses, special education and general courses. Through our Career and Technical Education Academy, students can choose from a variety of courses and programs that include college credit and industry certifications. Most required classes have honors sections for high ability students. Juniors and seniors are able to take college classes at Hutchinson Community College. Hutchinson High School also offers the International Baccalaureate Diploma program with a wide range of IB courses. Students may opt for certification or obtain a full IB Diploma. Todd Ray is the IB Coordinator and can be reached at (620)615-4153 or rayt@usd308.com.

ESSDACK Learning Center Alternative School

Day and evening classes are held at two sites in the city with credits applying toward graduation from Hutchinson High School. GED+ is another Learning Center option to help students earn a high school diploma in an alternative setting.
