A word from Mrs. Fisher

Our year is off to a great start. The teachers have been teaching their expectations to their students, and the students have been rising to the occasion. One way that we reinforce these expectations is when we see students making the right decisions we give them STARRS tickets. They get to bring these tickets to the office and placed in the STARRS bucket for a drawing on Monday mornings during morning meeting. They are then recognized for being great role models. They receive a ribbon and get their picture posted on the school's Facebook page.

Each week we are watching the number of daily STARRS tickets increase. The first week we averaged 71 tickets, next 83, then 90, and most recently 106. It's time to print more tickets!

What is a STARRS?
