Lincoln Community Meeting

When I started as the principal of Lincoln, it was a goal of mine to have the students and families feel valued. So we do things like give hugs, high-fives, say hello to each other, call our students by name, etc. However, now we would like to extend this caring beyond our walls.

We have several organizations, such as Lincoln PTO, First Presbyterian, Hutchinson Police Department, Interfaith Housing Services, Circles of Hope, Hutch Rec, United Way, Boys and Girls Club, Grace Christian Church, Birthright of Hutchinson, etc. that would like to help the families in the Lincoln community. But where do we start? What are the areas where we can make a difference? We need to hear from you!

Lincoln PTO is hosting an organizational meeting on February 20, 5:30-6:30 pm in the Lincoln Elementary Library. We would love to have you and/or your neighbors come and talk about how to make our area a better place for all.

Communities That Care – Field Trip Info

Every year we get calls from parents who want to go on the field trips with their students towards the end of the year. In order for them to go with a group of students, they must be cleared through training and backgrounds screenings. These screenings can take up to six weeks.

There are only 2 training dates left for this school year. February 7th at 5:30pm and March 2nd at 9:30am. Both sessions will be held at the Administration Center, 1520 N Plum.

Parent applications can be printed at www.ctcreno.org or call 620-615-4018 for info.

Birthday Celebration for February

If your child has a February birthday you are invited to eat lunch with him/her on Feb. 21. Please call the office for reservations. Cost is \$3.50. This special lunch takes the place of bringing classroom treats.
