### A word from Mrs. Fisher

Dr. Kiblinger and the Board of Education set a goal for our schools to increase positive behavior this school year. We are using the CHAMPS model. We are clearly telling our students what we expect. We tell them when they are doing it correctly, AND we tell them when they are not meeting our expectations.

I know that I brag about our Lincoln kids quite a bit; but I am justified in my bragging! Look at these numbers.....last year at the end of October we had 140 office referrals. This year, we have had 14!!! Last year, we were averaging about 60 STARRS tickets per day. This year, we are averaging 100 tickets per day for doing something positive.

Another bragging point, I was checking on the number of people we have volunteering in our classrooms. Last year we had 5 volunteers at this time, now we have 17 volunteers. People are hearing about these awesome kids and want to be a part of their lives.

One more THANK YOU to all of those involved with Hotdogs and Haircuts. Our kids were looking great for their pictures. Our kids and their parents felt so valued by this kind act. Thank you, First Presbyterian Church, for organizing this event.

So much to be proud about in our Lincoln community!
